Online Showrooms: Advantages & Features

You and all the business-relevant information on your company can be accessed here from anywhere in the world – 24/7, before, during and after the fair.

Content pays off – the benefits of your exhibitor profile:

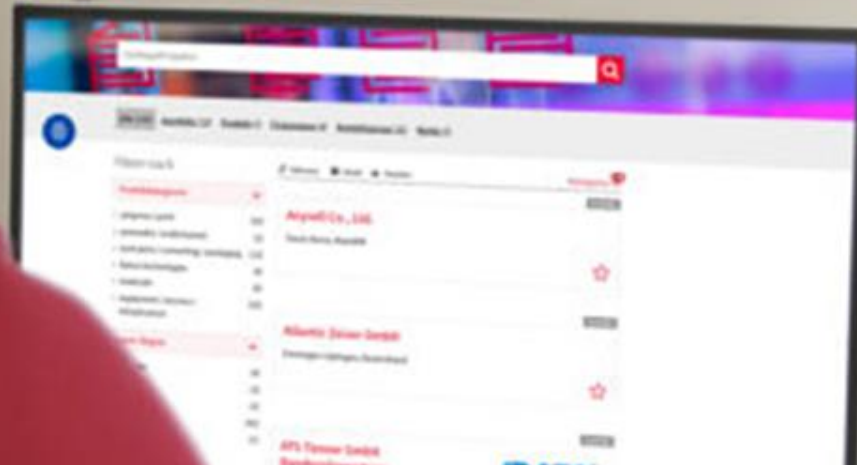

- Search for potential business partners
- Generation of leads among actual and prospective customers
- Specific and thematically relevant search queries
- Finding relevant expertise
- Product inquiries
- Names entered by contact persons

The more details you enter in your profile, the more effective your presence will be.

Online Showrooms: Advantages & Features

Draw attention to yourselves! It costs almost nothing - just some time!

About us

Company portrait

What virtual.drupa has to offer

The Exhibition Space section is now continually providing an overview of registered exhibitors of virtual.drupa. A number of national and international key players, including Bobst, Esko, Kama, Konica Minolta, Kyocera, Müller Martini, Windmöller & Hölscher, as well as Platinum Event Partner Leonhard Kurz and Gold Event Partner DuPont de Nemours, have already confirmed their involvement.

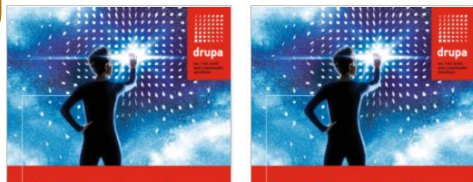

Exhibitors will be able to enhance their digital presence at virtual.drupa in their own online showroom, where they will showcase their core competencies, technologies and products, as well as innovations. In addition, experts will stage and present them in live web sessions, offering visitors from around the world the opportunity to interact directly, ask questions and learn more about their products and services.
